A desire to return young people to God, Family, Freedom and Courage; what our country was formed upon.

Dear Friends,

Greetings to you and yours!

We hope & pray that things are great at your home.

It has been a while since we have written to keep you updated on the progress of our IDRAHAJE Youth Camp project.

Earlier this year, we walked over a new parcel of land, which would also work extremely well as a potential building location for IDRAHAJE Youth Camp. This 80 acre parcel is well liked by us, with 40 acres completely cleared for immediate building, and another 40 acres of wood-land for future developments. The land is located west of Tawas, MI. We can get this whole parcel for approximately \$150,000.

Our goal is still to have a youth and family camp promoting God, family, courage and the freedoms given to us by God and our founding fathers, to help keep America strong and grounded in the United States Constitution and The Bill of Rights.

You can help us put a shovel into a piece of property to build IDRAHAJE Youth Camp. Please tuck in your best financial gift and return it to us soon. We would appreciate any size gift.
